

THANK A LINEWORKER!

This month, we're recognizing lineworkers for the amazing job they do to make sure we have electricity! Think about all the ways you use electricity every day. Do you use a phone, watch TV, play video games or turn on lights? You're able to do *all* of these things because of lineworkers.

Below is space to write a short thank you note to your local lineworkers. Write your note, then ask an adult to help you send it back to us so we can share it with our crews.

WE ♥ OUR
LINEWORKERS

Send your note to the mailing address below, or snap a photo with your phone and email it to us!
